

## PALAZZO VICTORIA

VERONA  
VENETO

*Exceptional hospitality, elegant luxury and dynamic dining within a legendary Palazzo steeped in history. Part of the Salviatino collection, Palazzo Victoria is without a doubt the very best place to stay in Verona.*

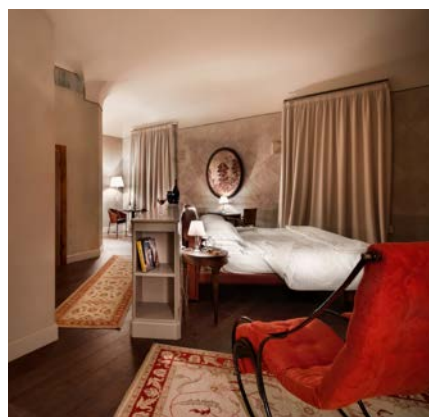

Just a few steps from the Arena and Piazza delle Erbe, Palazzo Victoria oozes elegance and charm and is a subtle mix of traditional Veronese with contemporary chic. Built at the beginning of the fourteenth century, Palazzo Victoria is also a museum and blends comfortable modern living with traces of the past such as original Roman floors and frescoes from the classic period. Bought by Veronese Marcello Pigozzo in 2011, Palazzo Victoria was totally transformed and refurbished by an eminent local architect who created the 'new look' incorporating precious materials and furnishings to provide wonderful sense of space.

Each of the bedrooms and suites is spacious and individually decorated and styled in accordance with the elegant tradition of Verona simultaneously combining modern touches and amenities. The dining and lounge areas are equally wonderful and throughout there is an atmosphere of relaxed sophistication. Enjoy an aperitivo in the champagnerie before dinner in the excellent and newly acclaimed Brasserie. The superb chef here combines traditional Italian regional cuisine with a contemporary twist. Produce is freshly sourced and of the very highest quality and there is an extensive wine list from which to select the finest wines from throughout Italy. The staff at Palazzo Victoria could not be better – highly professional and courteous and always willing to assist. Another new feature of the Palazzo is the weekend brunch – a true feast of delights to entice any keen foodie!

Staying at Palazzo Victoria is enjoyable in every way – quiet and peaceful, luxurious yet relaxed, historic yet contemporary with nothing left wanting. Walk out of the hotel and one is immersed in the beauty and vibrancy of Verona with contemporary galleries, exhibitions, original artisan shops, and also a vibrant night life. With its bars, nightclubs, and gourmet restaurants, Verona is the new reason to visit Italy. Everything set in the city of Roman history, Shakespeare's lovers, famous wine and extraordinary food. ...

So for anyone wishing to visit Verona then Merrion cannot recommend Palazzo Victoria too highly for its luxury, elegance, charm and attention to service. Once you

have arrived you will certainly not wish to leave this haven of luxury within the walls of historic and romantic Verona.
