## The Villas at Monteverdi

*Castiglioncello di Trinoro, Val d'Orcia, Tuscany*

Immerse yourself in the magic of Val d'Orcia in the world of Monteverdi where time stands still. Heavenly, tranquil, stimulating and enchanting ... the realization of a Tuscan dream.

In the hilltop village of Castiglioncello del Trinoro is Monteverdi, a collection of exquisitely restored rental villas, a boutique hotel and charming, laid back Cafè Monteverdi. This living stone village of images and shadows, built in the 12th Century, offers a sense of privacy or community, depending on your desires. The painstaking five year restoration is the creation and dream come true of its American owner and his passion for the Val d'Orcia. With every little detail taken in to account to ensure not only the very best in quality but also the ultimate in authenticity and respect for the environment, Monteverdi is a hilltop sanctuary which reawakens all the senses.

Each of the three villas is, in a word, stunning! Highly respected interior designer Ilaria Miani, is the genius who has married old and new combining furnishings and raw materials from

Italy, Egypt, Tunisia and Spain. Luxurious and captivating to the eye but also in atmosphere and character one cannot fail to be bowled over. The villas enjoy state of the art kitchens with bathrooms to die for as well as spacious living areas with wood-burning fireplaces, wine cellars and expansive views across the Val d'Orcia. Throughout each of the properties relaxing colours have been incorporated together with subtle lighting, luxurious linens and toiletries and an overriding sense of space. Outside guests can enjoy enchanting al fresco dining areas and a short stroll takes one to the pool and beyond to Cafè Monteverdi with its fine choice of wines and light meals. Every kind of service one could wish for can be provided at one's villa be it private dining, baby sitting, local vineyard tours, outlet shopping or cookery classes with Monteverdi's superb chef.

Nearby there is a wealth of places to visit such as Pienza, Montalcino and Montepulciano but many guests may well find they cannot draw themselves away from this unique Tuscan retreat dedicated to nourishing the body and mind. During your stay you may also be fortunate to partake in one of the many series of enriching seminars, performances and private events – all part of the Monteverdi experience.
