This enchanting property, strategically situated on a rocky promontory overlooking the Amalfi coastline, is one of the most exclusive, private estates of this idyllic region. The

estate boasts two outstanding villas each with characteristic features and spectacular sea-views. La Torre may be rented together with La Limonaia for larger groups of up to 26 people.

Sitting amidst a landscape of dense Mediterranean vegetation and scented pine woods, lemon trellises and beautifully-tended gardens Torre Saracena is a renovated, medieval, Saracen tower surrounded by several independent, stone outbuildings. The recently renovated tower is

elegantly furnished with antiques and modernist design classics which accentuate the beauty of this unique building. Plate glass windows offer spectacular views from within, and outside there is a series of panoramic terraces looking straight across to the sea and the unspoilt Amalfi coastline. These terraces provide the perfect setting for relaxing and eating outside. The Torre boasts an exclusive double-level swimming pool, ingeniously linked by communicating steps.
